Tolga Çavga

Mobile Frontend Developer (React Native & React.js) | JavaScript |
Expo | TypeScript | Open to Remote & Hybrid Roles
İzmir, Türkiye

Summary

Freelance Mobile Frontend Developer (React Native & React.js) with experience in Supabase, Tailwind CSS, and RESTful APIs. Currently pursuing a B.Sc. in Computer Science at University of the People, with hands-on training from Siliconmade Academy. Focused on building user-centered applications with clean code and dynamic UI.

Experience

Turkcell Global Bilgi

Customer Service Representative

August 2025 - Present (3 months)

Bornova, İzmir, Türkiye

Supporting customers and resolving issues at Turkcell Global Bilgi, with a focus on clear communication, problem-solving, and technical support. This role allows me to enhance my interpersonal and analytical skills while preparing for future opportunities in IT and software development.

Upwork

React Native Developer | Mobile App Engineer | Freelance Frontend Developer

July 2025 - Present (4 months)

İzmir, Türkiye

- Built cross-platform mobile apps with React Native, boosting user engagement
- Integrated RESTful APIs & Supabase for efficient data management
- Designed dynamic UIs with Tailwind CSS, improving user retention by 30%

Siliconmade Academy

Mobile and Frontend Development Trainee

February 2025 - July 2025 (6 months)

- Completed a 6-month / 184-hour traineeship in Mobile & Frontend Development at Siliconmade Academy

- Developed real-world projects (product listing apps, admin dashboards), improving UI/UX and performance
- Gained hands-on expertise in React, React Native, REST API, Supabase, Tailwind CSS, Firebase
- Built secure mobile apps with JWT authentication and API integrations
- Collaborated in agile teams using Git & GitHub for efficient version control and CI/CD practices

Concentrix

Customer Service Representative – Banking Sector

December 2022 - October 2024 (1 year 11 months)

İzmir, Türkiye

- Provided front-line banking support, resolving issues quickly
- Maintained 95% customer satisfaction through empathy & problem-solving
- Managed service tickets with Salesforce CRM, optimizing workflows
- Collaborated across teams to exceed performance targets

Izmir Metropolitan Municipality

Information Technology Intern

September 2017 - June 2018 (10 months)

İzmir, Turkey

- Assisted in system setup and hardware identification, enhancing operational efficiency.
- Provided technical support to users, resolving IT issues and improving user satisfaction.
- Collaborated with team members on troubleshooting, fostering a cooperative work environment.

Education

University of the People

Bachelor of Science (B.Sc.), Computer Science (In Progress), Computer Science · (June 2025 - June 2029)

Anadolu Üniversitesi

Associate's Degree, Computer Programming
